INTRODUCTION

INFORMATION ABOUT THIS BOOKLET

Schedules for all of Muni's lines are included in this booklet, and timetables in this format are published four times a year to keep you up to date. The front cover of each edition shows the effective date and a different color for easy identification. Timetables are available at Fast Pass outlets, the City Hall information booth, 949 Presidio Ave. (Room 222), at Muni Metro station booths, and aboard most cars and coaches.

In each edition, the "Service Change" section explains the changes made since the previous edition. Read those pages carefully to see if any of the services you want to use have been affected.

HOW TO USE THIS BOOKLET

Look through the book and find the line you need for your trip.

The schedules appear in the following sequence:

Weekday, Saturday, Sunday

All the **WEEKDAY** schedules appear at the beginning of the book, then all those for **SATURDAY,** and those for **SUNDAY** are nearest the back.

The three cable car lines are named for the streets they serve. Muni's streetcar (Metro) lines are lettered J, K, L, M, N. The F is Muni's Historic Streetcar service. Trolley and motor coach lines are numbered.

READING THE TIMETABLES

Step 1. Check to be sure you have the correct line, location and day (weekday, Saturday or Sunday). Find the page showing the line and the direction you want to go. At the top of each page, you will see the letter or number and name of the line. The direction of travel is indicated by the area or street that the line travels to — "Marina," "3rd & Palou," "Downtown," or "Financial District," for example.

Some lines have timetables for both directions on the same page, while others are continued on two or more pages.

Look at the time points listed across the top of the page. The times listed under each heading tell you when a vehicle should leave that point.

Read across to follow the route of a vehicle; read down to find the vehicle frequency.

Find the timepoint before your stop and read down to the time of day you want to travel.

Look in the left column for "L" or "X" designating certain of those trips as Limited or Express service.

Step 2. Until 7 AM, all trips are shown, and the last trip is also indicated for each line (unless all-night "Owl" service is available.) During the day and evening, most lines run on regular headways, with vehicles leaving the timepoints at the same times after each hour. A full hour before such a period is displayed in the timetable, followed by the words, "Then at the same times each hour until..." The table begins again when the regular cycle up to that time changes. At the peak travel hours and other busy times of the day, Muni operates frequent service at intervals of less than 10 minutes. At these hours, exact times are not indicated, so the approximate frequency is noted: "Then service every 6-7 minutes until..."

Step 3. Very early A.M. passengers should look at both early-morning and late-night times for their line because some early-morning trips appear only once — either at the beginning or the end of the table.

Always check the bottom of the timetable you are using to see if there are any special service notes.

Some timetables have been combined because the routes use the same street. Passengers using that street have the timetables together for convenient reading. Examples are the timetables for the 6 & 7 and 47 & 49 lines, in which the line number is shown in the left column. Be sure to check the time carefully, and board the correct coach for your destination.

NOTES ON SPECIAL TYPES OF SERVICE

"Limited" coaches operate on some lines, making fewer stops and providing quicker service. "Limited" trips on the 14 and 38 lines are indicated by an "L" in the left column, or near the line number: "L" or "14L".

"Express" coaches make several stops in their areas of origin and then run non-stop to their destinations. All express services run weekdays only, and some only during peak periods. Look for an "X" in the left column.

"A" and "B" Expresses — On weekday mornings, the A and B expresses make local stops on the outer part of their routes and then travel downtown non-stop. The B express starts from the point where the A express begins non-stop service, taking on passengers at local stops for several blocks before it too travels downtown non-stop. In the afternoon, A and B expresses run from downtown to residential areas.

"Timed Transfer Connection" — Certain late-night connections, where indicated, are scheduled with a time overlap to assure that passengers can transfer from one line to another. Coaches of both lines wait to assure that connections can be made.

Service frequencies differ on weekdays, Saturdays, and Sundays.

SATURDAY schedules are operated on Washington's Birthday.

SUNDAY schedules operate on:

New Year's Day
Memorial Day
Independence Day
Labor Day, first Monday in September
Veterans' Day,
Thanksgiving Day, fourth Thursday in November
Christmas Day

WEEKDAY NON-SCHOOL schedules are operated when schools are not in session.

RIDING TIPS AND REGULATIONS

STOPS

Muni stops are located every two or three blocks, and are marked by a brown and orange sign, or a yellow band painted on a pole. In some residential districts, stops are indicated by a short yellow stripe painted on the street surface. Cable car stops are indicated by maroon-on-white signs.

BOARDING AND ALIGHTING

While waiting at your stop, get your pass or exact coin fare ready. When you board, step up, pay your fare, and move as far into the car or coach as possible. This will allow people behind you to get on more easily, and will make your ride quicker.

When you want to get off, pull the cord by the windows to signal the operator. Move to the rear door in time to get out promptly. When leaving streetcars, be sure to look to your right before stepping into the street.

FARES

Adult (18-64) 60¢ or valid transfer; cable cars: $1 or valid non-cable car transfer plus 40¢
Senior (65 and over) & Discount* 5¢ or valid transfer
Youth (5-17) 25¢ or valid transfer

Transfers are issued free at the time fare is paid, and are valid for approximately 90 minutes.

Passes: Fast Pass $24 monthly
Youth Pass $5 monthly
Discount Pass* (Senior and Handicapped) $2.50 monthly

*With Bay Region Transit Discount card.

Fares are subject to change. For complete fare information please consult Muni's Fare Structure card.

SAFETY

When standing or walking on a Muni vehicle, please hold on, and when you get off, grasp the door handle and look where you are stepping. Please do not talk to the operator when the vehicle is moving — information is gladly given, but safety requires avoiding unnecessary conversation. After getting off, wait for the car or coach to pass before crossing the street.

VANDALISM

Muni is owned by you, the public. Damage to Muni vehicles and installations is damage to your property — repairs and replacements come from money you have paid in taxes or fares, and only you can help us cut these costs. If you see vandals at work, notify the nearest Muni employee, or call the police. Call We-TIP at (800) 78-CRIME, and you can relay the information you have in complete confidentiality, and without giving your name. An individual may be eligible for a reward of up to $500 for information leading to the arrest and conviction of a felon.

MUNI AT A GLANCE

Muni is "the people's railway," as it was once called. It was born in 1912 as the nation's first metropolitan venture into public ownership of a transit system, bringing public ownership into an industry that had been wholly controlled by private interests until that time. Muni's first line operated out Geary Street from Market, and was soon augmented by other service to most parts of the city. Its largest competitor was the United Railroads Company (later the Market Street Railway Company), and streetcar service on Market Street was so intense that four tracks were necessary to handle all the cars. After the First World War, the transit industry came increasingly under public ownership, and the Market Street Railway was finally purchased by the City in September 1944. Many of the former private company's Market Street lines were converted to trolley coach operation.

During the era when most cities did away with their electrically powered vehicles, San Francisco retained and modernized its services, and today offers the nation's most varied and balanced transit network. The Muni fleet totals over 1000 — the light rail vehicles, trolley coaches, cable cars and motor coaches cover nearly 80 routes, and provide service to all parts of the city. Over 95% of the city's addresses are within two blocks of a Muni stop, and the 910,000 weekday passenger boardings make Muni America's most heavily used transit system on a per capita basis.

In the fiscal year 1982-83, Muni's operating budget was $167.2 million, and the system employed over 2300 operating staff, full-time and part-time.

In 1980, Muni Metro opened, putting the light rail services underground in the downtown area, and allowing higher speeds and shorter trips. The cable car lines came to Muni with the purchase of the Market Street Railway, and of the California Street Cable Railroad Company in 1952. During a 20-month period, in 1982-1984, all three lines were completely refurbished at a cost of nearly $60 million, and are now ready to offer both residents and visitors another century of service.

SERVICE CHANGES FOR SUMMER 1984

GENERAL

17X Parkmerced Express — The outbound stop on Harrison at 6th Street is replaced by a new stop on 6th Street at Ahern, under the freeway.

Cable cars — the three cable car lines return to service June 21. Times of operation are approximately 6:30 AM - 12:30 AM.

In connection with this change, the **61 CALIFORNIA** motor coach service will be discontinued.

The adult cable car fare (for passengers 18 through 64 years old) is $1, or a valid transfer from a non-cable line plus 40¢. The Senior and Discount fare is 5¢ (or valid transfer), and for Youths 5 through 17, 25¢ (or valid transfer). All Muni or Muni-validated passes are valid without surcharge.

HISTORIC TROLLEY FESTIVAL

Muni operates a fleet of vintage electric streetcars from Transbay Terminal at 1st and Mission Streets out Market Street to 17th & Castro Streets, with some service to 30th Ave. & Judah. Cars operate at 9 to 15 minute intervals between 10:30 AM and 6:30 PM from Thursday through Sunday during summer months. Regular fares apply.

MOTOR COACHES ARRIVE

280 new motor coaches have begun arriving, and will go into service as soon as they have been tested and accepted. 100 of these are 60-foot-long articulated coaches built by the M•A•N Co. of North Carolina and Germany that will operate on Muni's most heavily used lines. The remaining 180 are standard 40-foot coaches built by the Flyer Company of Canada and Lawson Industries of Texas. These vehicles have double-width doors front and back to speed boarding and travel time. All of these coaches are equipped to handle wheelchair patrons, and can "kneel," or lower the front of the coach to accomodate passengers who may have difficulty with steps. Certain lines will be served regularly by these vehicles, and disabled passengers will be able to use this new equipment at specified stops on those lines.

The information in these timetables is subject to change.
The Municipal Railway provides the best service possible, but street and traffic conditions occasionally cause unavoidable interruptions. When this occurs, every effort is made to return service to normal, and we thank you for your patience and co-operation.

INTRODUCTION

In order to minimize costs, this booklet is produced by an automated typesetting and printing system. Not all of the schedules are in numerical order, so check carefully to see where your line appears in the booklet.

The timetable booklets are published 2-3 times a year, and the cover of each edition shows the effective date and a different color for easy identification. We try to keep the information in this booklet as up-to-date as possible. However, schedule, fare, and other information in this booklet is subject to change before the next edition.

Muni Information — for information you don't find in the timetable book, call MUNI's Telephone Information Center — 415/673-MUNI.

TTY for the hearing impaired [illegible] weekday daytime service has been

1 California — Weekday daytime service has been extended south of Market St. to Howard & Main Sts. for improved service to the businesses in that area.

12 Folsom and **83 Pacific** — The weekday daytime 12 Folsom line has been combined with 83 Pacific service and extended to Jackson & Steiner. The 83 Pacific now only operates between Battery St. and Van Ness Ave. Please see the map on page 95. The new 12 Folsom service will provide improved service between Pacific Heights, Nob Hill/Russian Hill, Chinatown, North Beach, and the downtown Financial District.

38 Geary Limited— On weekday mornings, two 38L's now provide extended service from the Transbay Terminal to the CalTrain Depot at 4th & Townsend Sts. In the afternoon, two 38L's begin service at the depot. This service is being provided for improved regional transit connections for San Franciscans' weekday journeys to and from the Peninsula.

Owl Service — There are major changes in Owl (1 a.m. - 5 a.m.) service. All Owl service is every 30 minutes, and timed transfers are scheduled at many transfer points to enable transfers to be made as easily as possible. New Owl service is being provided by the 24 Divisadero and 91 Owl lines, and there are route changes on the N Metro Owl and 90 Owl lines. Much of the Owl service on the J and K Metro Owl lines has been discontinued, and all of the Owl service on the 15 Third Street, 31 Balboa, and 45 Union-Stockton lines has been discontinued. The new 91 Owl line provides service from West Portal Station on West Portal Ave., Ocean Ave., Geneva Ave., Third St., Stockton, Columbus Ave., Lombard, Park Presidio Blvd., and 19th Ave. to S. F. State University.

Schedule Changes — many lines have had schedule changes since the last edition of this booklet. Please check your line for any service changes.

Transit History Note — August 11th will mark the 75th anniversary of service on the J Church streetcar line. The line began service on August 11, 1917.

SERVICE NOTES

Weekday schedules — the following symbols refer to school-day and non-school-day service:
S - service operates only on school days.
N - service operates only on non-school days.

Saturday schedules are also operated on Presidents' Day.

Sunday schedules are also operated on —
New Year's Day Labor Day
Memorial Day Thanksgiving Day
The 4th of July Christmas Day

"Limited" coaches operate on the 14, 28, 38, and 71 lines, making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Express services run only on weekdays, and except for the 9X San Bruno Express, only during peak periods. Look for an "X" in the left column.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas. Look for an "A" or a "B" in the left column.

"Timed-Transfer Connection" — Certain evening and early morning connections, where indicated, are scheduled with a time overlap to assure that passengers can easily transfer from one line to another. For example, 43- and 44-line service is scheduled to overlap at Forest Hill Station in the evening and early morning hours.

FARES

At the time of the publication of this booklet, public hearings were being held concerning the possibility of increasing Municipal Railway fares. Since fares and fare policy may change, please call Muni's Telephone Information Center at 415/673-MUNI for the latest information on Muni fares.

Youths and seniors may be asked for proof of age. Acceptable documents are a birth certificate, driver's license, or State of California Identification Card. The document must show the person's date of birth. For seniors, a Muni Senior Citizen Identification Card is available — phone 626-1099 for information allowing persons to be eligible for Muni's discount [illegible] persons with a doctor's

allowing persons to be eligible for Muni's discount fare, is available for disabled persons with a doctor's certificate, for qualified veterans, and for holders of a valid Medicare card or California Department of Motor Vehicle Placard Identification Card. A **red dot** in the center of the discount card allows an attendant to ride for the discount fare. (More than one attendant may ride for the discount fare if those persons are accompanying a group of disabled persons whose discount cards have the red dot.) For more information on the discount card program, call 923-6070. For information on accessible services, see page 4.

Passes Muni passes are good on all Muni regularly scheduled service, including the cable cars, and are valid for a reduced fare to ballgames at Candlestick Park and other special events. In addition, the adult monthly Fast Pass is good on BART and CalTrain within San Francisco.

REGIONAL TRANSIT CONNECTION PASSES, TICKETS, AND TRANSFERS

The following passes are treated the same as a Muni pass on Muni vehicles. (Unlike Muni's adult monthly Fast Pass, these passes are not good for free BART service in San Francisco. With the exception of CalTrain's Peninsula Pass, they are also not good for free CalTrain service within San Francisco.)

- AC Transit monthly pass with a Muni sticker.
- "BART Plus" and "BART Premium Plus" half-monthly passes.
- CalTrain monthly ticket with a Peninsula Pass sticker.
- Golden Gate Transit Commute Discount Book with a Muni sticker.
- SamTrans monthly pass with a Muni sticker.
- Vallejo Ferry monthly pass with a Muni sticker.

Tickets for the **Alameda/Oakland Ferry** service have "AC Transit", "Ferry", and "Muni" sections. On the trip to the ferry, passengers present the complete three-part ticket to the AC or Muni operator so that the stub for that transit service can be removed. (This full ticket is honored the same as a regular cash fare anywhere on Muni.) On the trip from the ferry, the detached local transit stub is valid at specific stops adjacent to the ferry terminal. Muni transfers are issued on request (and an extra fare is necessary for cable car service) both going to and coming from the ferry terminal.

BART-Muni Discount Tickets are available in the paid areas of the San Francisco BART stations for a

round-trip fare on Muni. The tickets are good for service anywhere on the Muni system (with an additional fare necessary for cable car service), and transfers are issued on request. (Discount tickets are free at the Daly City BART station for round-trip service on Muni's 28 and 54 lines, but Muni transfers are not issued.)

The **Golden Gate Ferry** transfer is honored the same as a regular cash fare anywhere on Muni, with a transfer issued on request. (An additional fare is needed for cable car service.)

INTRODUCTION

In order to minimize costs, most of this booklet is produced by an automated typesetting and printing system. Not all of the schedules are in numerical order, so check carefully to see where your line appears in the booklet.

The timetable booklets are published 2-3 times a year, and the cover of each edition shows the effective date and a different color for easy identification. We try to keep the information in this booklet as up-to-date as possible. However, schedule, fare, and other information in this booklet is subject to change before the next edition

Muni Information — for information you don't find in the timetable book, call Muni's Telephone Information Center — 415/673-MUNI.

SERVICE CHANGES

View service has been temporarily cut back to St. Francis Circle, with motor coach shuttle service being provided between West Portal Station and the Balboa Park BART Station. SERVICE NOTES

Weekday schedules — the following symbols refer to school-day and non-school-day service:
S - service operates only on school days.
N - service operates only on non-school days.

Saturday schedules are also operated on Presidents' Day.

Sunday schedules are also operated on —
New Year's Day
Memorial Day
The 4th of July
Labor Day
Thanksgiving Day
Christmas Day

"Limited" coaches operate on the 14, 28, 38, and 71 lines, making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Express services run only on weekdays, and except for the 9X San Bruno Express, only during peak periods. Look for an "X" in the left column.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas. Look for an "A" or a "B" in the left column.

"Timed-Transfer Connection" — Certain evening and early morning connections, where indicated, are scheduled with a time overlap to assure that passengers can easily transfer from one line to another. For example, 43- and 44-line service is scheduled to overlap at Forest Hill Station in the evening and early morning hours.

FARES

As this edition of the timetable booklet was being published, proposals for changes to Muni fares were being considered by the San Francisco Board of Supervisors. For information on Muni fares, please call 415/673-MUNI.

Seniors (age 65+), youths (age 5-17), and children (under age 5) may be asked for proof of age. Acceptable documents are a birth certificate, driver's license, or state of California Identification Card. The document must show the person's date of

birth. For seniors, a Muni Senior Citizen Identification Card is available — phone 415/626-1033 for information.

A **Regional Transit Connection Discount Card,** allowing persons to be eligible for Muni's discount fare, is available for disabled persons with a doctor's certificate, for qualified veterans, and for holders of a valid Medicare card or California Department of Motor Vehicle Placard Identification Card. A **red dot** in the center of the discount card allows an attendant to ride for the discount fare. (More than one attendant may ride for the discount fare if those persons are accompanying a group of disabled persons whose discount cards have the red dot.) For more information on the discount card program, call 415/923-6070.

It is recommended that the service dog's picture be shown with its owner's in the photo on the Regional Transit Connection Discount Card.

INTRODUCTION

In order to minimize costs, most of this booklet is produced by an automated typesetting and printing system. Not all of the schedules are in numerical order, so check carefully to see where your line appears in the booklet.

The timetable booklets are published at least twice a year, and the cover of each edition shows the effective date and a different color for easy identification. We try to keep the information in this booklet as up-to-date as possible. However, schedule, fare, and other information in this booklet is subject to change before the next edition

Muni Information — for information you don't find in the timetable book, call Muni's Telephone Information Center — 415/673-MUNI.

TTY for the hearing impaired, 415/923-6366 (weekdays: 9 a.m. - 5 p.m.)

SERVICE NOTES

Weekday schedules — the following symbols refer to school-day and non-school-day service:
S - service operates only on school days.
N - service operates only on non-school days.

Saturday schedules are also operated on Presidents' Day.

Sunday schedules are also operated on —
New Year's Day
Memorial Day
The 4th of July
Labor Day
Thanksgiving Day
Christmas Day

"Limited" coaches operate on the 14, 28, 38, and 71 lines, making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Express services run only on weekdays, and except for the 9X San Bruno Express, only during peak periods. Look for an "X" in the left column.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas. Look for an "A" or a "B" in the left column.

"Timed-Transfer Connection" — Certain evening and early morning connections, where indicated, are scheduled with a time overlap to assure that passengers can easily transfer from one line to another. For example, 43- and 44-line service is scheduled to overlap at Forest Hill Station in the evening and early morning hours.

FARES

As this edition of the timetable booklet was being published, proposals for changes to Muni fares were being considered by the San Francisco Board of Supervisors. For information on Muni fares, please call 415/673-MUNI.

Seniors (age 65+), youths (age 5-17), and children (under age 5) may be asked for proof of age. Acceptable documents are a birth certificate, driver's license, or state of California Identification Card. The document must show the person's date of birth. For seniors, a Muni Senior Citizen Identification Card is available — phone 415/626-1033 for information.

A **Regional Transit Connection Discount Card,** allowing persons to be eligible for Muni's discount fare, is available for disabled persons with a doctor's certificate, for qualified veterans, and for holders of a valid Medicare card or California Department of Motor Vehicle Placard Identification Card. A **red dot** in the center of the discount card allows an attendant to ride for the discount fare. (More than one attendant may ride for the discount fare if those persons are accompanying a group of disabled persons whose discount cards have the red dot.) For more information on the discount card program, call 415/923-6070.

Regional Transit Connection Passes, Tickets, and Transfers

Passes:

The following passes are honored the same as a monthly Fast Pass on Muni —

An **AC Transit** monthly pass with a Muni sticker.

The **"BART Plus"** ticket and the **"BART Premium Plus"** ticket — these are BART tickets and also half-monthly passes good on Muni and other Bay Area transit services.

A **CalTrain** monthly ticket with a **Peninsula Pass** sticker (which includes a Muni logo).

A **Golden Gate Transit** Commute Discount Ticket Book with a Muni sticker.

A **SamTrans** monthly pass with a Muni sticker.

The **Vallejo Ferry** monthly pass with a Muni sticker.

Note: The Muni adult monthly Fast Pass is good on BART and CalTrain within San Francisco. However, these Regional Transit Connection passes are not good for free BART or CalTrain service in the city.

Tickets and Transfers:

Tickets for the **Alameda/Oakland Ferry** have "AC Transit", "Ferry", and "Muni" sections. The full ticket is honored the same as a Muni token. The Muni stub of the ticket is honored the same as a Muni token at certain stops near the Ferry Building and Pier 39.

BART-Muni Discount Tickets are two-part tickets issued at San Francisco BART stations for the Muni adult fare, with the first part good for one hour and the second part good for 72 hours for Muni service. Either part is honored the same as a Muni token. (The two-part discount tickets are free at the Daly City BART Station, but are good for service only on Muni's 28 and 54 lines.)

CalTrain "Plus Muni" Tickets are honored on Muni for service at San Francisco CalTrain stations.

The **Golden Gate Ferry** transfer is honored the same as a Muni token.

Animals on Muni

Dogs are allowed to ride on Muni vehicles from 9 a.m. to 3 p.m. and from 7 p.m. to 5 a.m. on weekdays, and all day on Saturdays, Sundays, and holidays. Dogs must be muzzled and on a short leash, or in a closed container. Other animals may ride at any time of the day, but must be carried in closed containers. Only one animal may ride per vehicle.

Persons boarding with an animal must pay the same fare for the animal as they do for themselves.

The above regulations **do not** apply to guide dogs for the handicapped. Any number of guide dogs may ride free at any time. These service dogs do not have to be muzzled, but must be on a leash. It is recommended that the service dog's picture be shown with its owner's in the photo on the Regional Transit Connection Discount Card.

"Carry On" Items

Muni operators may refuse to allow articles on board that could create a nuisance or cause harm. Food in open containers or poorly protected containers (such as coffee or soft drinks in paper or Styrofoam containers, whether covered or not) may not be allowed on board.

Bicycles are not allowed on Muni vehicles. Other large objects may be allowed on at the discretion of the operator, but aisles and passageways must be kept clear at all times. If a baby stroller is allowed on board, the child must be removed from the stroller and the stroller folded up while it is on the vehicle.
